## Diocesan Conference - a message from Bishop Jill

Dear Friends,

This is a Save the date for our Home Grown Diocesan Conference online 13-14th October. It will be chance to "meet" people from across the Lancashire and find encouragement from each other. The input, speakers and seminars will all be "home grown" from Blackburn Diocese.

Everyone's welcome, so do feel free to promote this in your networks and churches.

For more info on timings go to: <https://blackburn.anglican.org/events/589/home-grown-diocesan-conference>

And my Video message this week: You Tube link: <https://youtu.be/kNkjhPsGF-8>

In these challenging times, I am so grateful for all the treasure God has given us in the people of this Diocese.

With prayers & best wishes  
+Jill

*Phil Green will be sharing his testimony during this conference*

Congratulations also to Kathryn, who has gained a First in Forensic Psychology

Please pray for Malita, who is moving away to study at York University

*If you have any prayer requests or any news you'd like to share, please [email the office](#) & we'll include it here*

A free phone line of hymns, reflections and prayers

Are you in need of some daily hope during this lockdown?

There is a FREE telephone line set up by the Church of England where you can hear comforting hymns, daily prayers and reflections.

## Preston Council have asked us to pass on this important message

As you will appreciate, things are changing very quickly at the moment and I wanted to let you know about some changes to the community testing sites at the Market and the mobile testing site at Issa Medical Centre, which has moved to a site near Moor Park as follows:

As of Thursday 17<sup>th</sup> September both the community sites, **Moor Park and the Market will only be testing 5 days a week Saturday to Wednesday, so Thursday and Friday the test centres will be shut** – this is to aid national testing needs

### Testing – Issa Medical Centre Site is moving to a Site Adjacent to Moor Park

From Monday 14 September, the community testing site for coronavirus at Issa Medical Centre has moved to a Preston City Council owned site adjacent to Moor Park.

The site will use the former Parks depot, accessible via Moor Park Avenue with parking available at Moor Park car park, Deepdale Road (opposite PNE).

The Community Connectors have a new initiative called 'Doorstep Cuppa'. This builds on the success of clapping for the NHS/ carers and also the amazing response from the community to 'Unity Streets' in July. The suggestion is that across the parish

neighbours come out onto their door step at 11.30 on a Sunday morning with a cuppa and while maintaining social distancing talk with their neighbours. This is a great way to connect with neighbours and particularly with those who are isolated in a safe way.
